

17c WOMEN'S HOSE, 2 FOR 25c.

To get the best 2 for 25c Stocking there is made, even though we have to pay an extra fifteen or twenty cents a dozen for them, is always our aim. This time we secured a Stocking that has been sold at 17 cents a pair, in fact they couldn't be sold for anything else at a profit—twenty dozen of them with double sole, high spliced ankle; made of the softest long fibre cotton; dyed by the latest improved process dye and guaranteed absolutely soft, strong and clean.

Two Pairs for 25 Cents

Why Pony Stockings Are Best for Boys and Girls.

They are made three times as strong as usual, last three times as long and save two thirds on stocking expense. Doesn't that make them better? But do you know that is so? Have you tried them? Why not get a sample pair for your boy or girl? If they don't wear longer than you are used to, you won't buy any more; but if they do (and they will) wouldn't you better buy them all the time?

GET A SAMPLE PAIR FOR 25 CENTS.
